Dear Lopez Panthers and Parents,

WELCOME TO THE PANTHER ATHLETICS FAMILY!

The coaching staff is gearing up for another exciting year of Panther athletics. We are using this offseason time to get ready for the fall. We need your help in preparing your son. The following information is vital. Please keep this packet available for reference!

There are several items of interest you should put on your calendars. There are many required forms contained in this letter that must be filled out and submitted to the athletic coordinator. Many forms are now available online.

PHYSICALS: : Every athlete is required to obtain and pass a physician's athletic physical exam. This must be turned in prior to participation in any camp and/or athletic period or practice. *A physical exam is valid for one (1) calendar year.*

****You can visit the physician of your choice to receiver a physical. Visit www.lopezboysathletics.weebly.com/athletic-paperwork to print a physical form. H-E-B and CVS quick clinics can perform a physical.***

PARTICIPATON FORM: Every athlete and parent must complete a **PARTICIPATION FORM. Visit <http://lopezboysathletics.weebly.com/athletic-paperwork.html>**

***Coaches use the emails on this form as preferred contact methods. Please make sure you provide a valid email address.**

****Download the RankOne Sport app to receive push notifications from coaches**

Please have your PHYSICAL EXAM and PARTICIPATION form completed and turned in by JUNE 1, 2021.

BSN TEAM SHOP: The BSN Team Shop flyers are enclosed in this packet! Go online **4/26/21-5/4/21** to order these team specific items. *You have only 14 DAYS to do this!* No other opportunity will be available. Returning players, if you have items from last season that are still in good shape and fit well, you may use those this coming year. There are lots of items available for purchase on this team shop site. If you buy your items through this web site, our teams will look unified with the Lopez logos and you will get a significant discount compared to purchasing retail. Some items are required for each player and there also optional items available. The 4 required items are listed below.

- BSN Team Shop Web Site: www.bsnteamsports.com
- Lopez Access Code: LPFB21

We will have limited quantities of the required items if you miss the BSN deadline. These items will be available on a first come, first serve basis. Embroidery is NOT available if purchased after the BSN Team Shop deadline

Mandatory purchases:

1. Navy LP workout shirt
2. Navy LP workout shorts

Highly Encouraged

1. Lopez Workout Hoodie
2. Lopez Workout Sweat Pants

Consider ordering larger for growing room! You must report any discrepancies in your order when you pick up your items. Label all items with player's name!

Exchanges of items: Lopez logo items cannot be exchanged. Kyna Reed (kreed@bsnsports.com) is your contact for item exchanges or questions.

***We will have Game Day shirts and socks available for purchase once school begins. These items can be purchased through a coach.**

LOCKERS: Encourage your son to keep his locker organized and locked at all times! If there is a locker security issue, please let a coach know. All athletes provide their own soap, towels, and shampoo for showers... these items must be locked in their lockers. This is especially important when leaving the locker to shower. Need to lock it then unlock it upon return!

EMAIL COMMUNICATION:

Important note to all parents - The coaches relay information to these volunteers and they will relay it to you on their behalf. If you are not getting periodic emails please contact your team mom listed below. Please read these emails - they contain vital information from the coaches!

7 th Grade Head Mom:	Katy Blanco	katy_blanco@hotmail.com
8 th Grade Head Mom:	Sheri Best	best.sheri@heb.com

We want all the Panther athlete parents to feel a part of our team. Contact the above moms and offer to help! With so many players, parent involvement and proper parental/coach communication is vital. Keep these parent emails and your son's grade level coach's email handy.
